The Biggest Loser
Your Journey Begins Here

Many people know of the renowned television program, The Biggest Loser. Each week, participants competed with their own goals and one another to become The Biggest Loser. Whether you are a die-hard fan of the show or know about it casually, we know you are on your own journey of transformation, and we are ready to help.

The Biggest Loser Resort Niagara is a guided weight loss intervention focused on wellness with individualized support to achieve your goals. We do so through individualized fitness programs, lifestyle coaching, nutrition guidance, relaxation, restoration, and community support. Here is a glimpse of what you can expect during your time at The Biggest Loser Resort Niagara.

**Individualized Goals**
At The Biggest Loser Resort Niagara, your goals are our goals. Every attendee at our resort is respected and treated as an individual. Through one-on-one coaching, a carefully curated plan to achieve your goals is developed and becomes YOUR roadmap for the week.

“Challenges seem like they are breaking you. However, in truth, they are making you into the most limitless and versatile version of yourself.” —Hiral Nagda
Embracing New Goals and Challenges
During your stay, we encourage you to reach all your goals by challenging yourself to the best of your ability to work hard and stay focused. With this approach, you can become the “best” version of yourself according to your own definition of what “best” means to you.

Emotional Safety
Challenging yourself each day takes sacrifice, determination, and vulnerability. At The Biggest Loser Resort Niagara, we provide a non-competitive, supportive community throughout your time at the resort. Your coaches will support you. The chef and kitchen staff will support you. Your fellow attendees become a network of support. And most of all, you learn to support yourself.

Educational Tools
When you attend The Biggest Loser Resort Niagara, not only do you learn how to integrate fitness into your daily life, but you also receive assistance from certified trainers on how to understand the ins and outs of personal wellness and the impact it has on various aspects of your life. These sessions help to provide the intellectual wellness necessary to be successful. At The Biggest Loser Resort Niagara, we know that knowledge is power.

“Wellness is the complete integration of body, mind, and spirit - the realization that everything we do, think, feel, and believe has an effect on our state of well-being.” – Greg Anderson
